Subject: RE: Preliminary SSP 2 Data

Hey Rob,

Do you have this data validated yet, in a spreadsheet with figures? The state has asked to see it, because they saw in the monthly progress report that it was submitted to us.

Thanks,

Stephanie

Subject: Preliminary SSP 2 Data

Attached are preliminary data and maps for PCDD/PCDFs and PCBs for discussions between EPA and the CPG. Please do not distribute these data beyond EPA and CDM until they are validated.

Please contact me with any questions.
